

A quality award winning park
for those seeking a relaxing break

Open - March 1st to October 31st

Tucked away between the edge of the picturesque Yorkshire Wolds and the spectacular Heritage Coast, our small family run park offers wonderful surroundings to relax and unwind. Catering for those seeking a quiet break on a tranquil park, we are ideally suited for the mature visitor and young families. With extensive views over the Vale of Pickering and the Yorkshire Wolds, you can enjoy being right in the middle of the countryside while in reality you are only 2½ miles from Filey to the south and 5 miles from Scarborough to the north.

On the coast.....

The seaside town of Filey is only minutes away and offers visitors an unspoilt environment in which to relax. Filey offers all that is best from the traditional seaside holiday, from golden sands to award winning gardens, from donkey rides to Punch and Judy shows, Crazy Golf to seaside amusements. Filey is the start and finish point for The Cleveland Way and The Yorkshire Wolds Way, both enjoying the diversity of the North Yorkshire countryside.

Our location on the Heritage Coast is also convenient for the bustling seaside town of Scarborough, with its beaches, cliff tops and busy shopping centre only yards apart and all reached by the famous Victorian cliff lifts. Scarborough has some of the countries finest parks and gardens, the elegant Esplanade and magnificent Scarborough Spa Complex, not to mention it's impressive medieval castle.

Discover the smuggling villages of Staithes, Runswick and Robins Hoods Bay, all with their own tales to tell of murky pasts, sorcery and legend.

Other resorts within easy reach are Bridlington, Hornsea and Whitby, all offering a diverse range of activities catering for every taste.

Scarborough South Bay

Inland.....

The North Yorkshire Moors can be enjoyed on foot, by car or by travelling on the North Yorkshire Moors Railway between Pickering and Grosmont. Stop off at one of the many unspoilt villages such as Goathland, the setting for ITV's Heartbeat and Hogsmeade station in the Harry Potter films.

Dalby Forest with its playgrounds, nature walks and cycle routes is a place for all the family to enjoy. If you haven't brought your bike a hire shop is situated in Dalby with quality equipment for all the family. Organised walks offer a chance to discover more of this fascinating woodland and the Dalby Forest Observatory gives you the opportunity to study the night skies with the experts.

The stunning stately homes of Burton Agnes, Sledmere, Sewerby Hall and of course Castle Howard, the setting for Brideshead Revisited, are all within easy reach.

York is less than 40 miles inland and well worth a visit to explore the Roman City with its magnificent Minster and city walls, The Shambles and the National Railway Museum.

Visit Britain

We continue to achieve 5 star Visit Britain grading for Touring parks. This scheme is the nationally recognised benchmark of quality in the tourism industry. A 5 star grading shows recognition of our commitment to providing a top quality park and high level of customer care. Our graders made particular note of our “excellent standards of cleanliness and housekeeping” and how “the park is well laid out with amenities within easy reach of all areas”.

The AA

AA 4 pennant rating means that our park has achieved an extremely high standard in all areas, including landscaping of grounds, natural screening and attractive park buildings, and also customer care and park security.

David Bellamy Award for Conservation

This prestigious accolade recognises Lebberton Touring Park’s commitment to the wonderful variety of flora and fauna found in the area. With our new nature zone we are striving to become a credit to our profession and are working towards creating our own “Garden of Eden”, both for wild flowers, wild life and for our visitors.

Caravan Storage Site Owners Association Gold Award

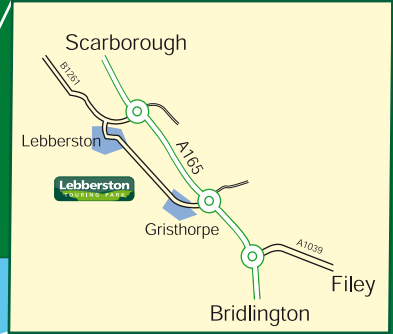

This award shows Lebberton Touring Park provides a high quality secure storage facility. Major insurers may request that your caravan is stored in a CaSSOA Gold Award location and could offer discounts for such provision. Together with Secured by Design (which is itself backed by the police, The Association of British Insurers and The British Holiday and Home Park Association) these awards recognise the provision of safe caravan storage. For peace of mind we have a number of security cameras, alarmed perimeter fencing, banked and screened boundaries and single access point.

How to find us

Directions from the A64, when approaching Scarborough, take the right turn for the B1261 at the “MacDonalds” roundabout. Proceed in the direction of Filey and follow the signs for the village of Lebberston.
